Thank you for purchasing Magnum Industrial. Your new Magnum Industrial tool has been designed and manufactured to deliver high-quality performance and dependability over a long service life. Before leaving the factory, every Magnum Industrial product is tested and checked for quality.

## 5-YEAR LIMITED WARRANTY

Magnum Industrial woodworking and metalworking machinery is backed by a 5-year limited warranty. This warranty covers replacement parts against manufacturer's defect.

- This warranty does not cover parts that have been modified or damaged through misuse, lack of maintenance, negligence, accidents, natural disasters, inadequate dust collection or excessive production demands.
- This warranty does not cover consumable parts or parts that are subject to regular wear and tear during normal operation. Examples of wear and tear parts include drive belts, bearings and switches.
- This warranty does not cover parts damaged during shipping or transportation.

To make a warranty claim, the original purchaser must contact a Magnum Industrial representative and provide documented proof of purchase. Once the representative confirms that the damage has occurred due to manufacturer's defect, Magnum Industrial will ship a replacement part or parts prepaid to the original purchaser. The original purchaser may choose to install the replacement parts or transport the machinery to an authorized Magnum Industrial service centre for installation. Transportation costs are not covered by the warranty.

As determined on a case-by-case basis, parts may need to be inspected by an authorized Magnum Industrial representative before parts are eligible for warranty. In these cases, the original purchaser is responsible for transporting the parts to a representative or an authorized Magnum Industrial service centre.

## LABOUR AND TRANSPORTATION COSTS

The original purchaser may choose to transport the machinery to an authorized Magnum Industrial service centre for warranty evaluation. Transportation costs and expenses related to moving machinery to and from carrier vehicles are not covered by the warranty.

Once the machinery has been evaluated by the authorized Magnum Industrial service centre, any parts damaged due to manufacturer's defect will be replaced and installed at no cost. Labour is covered by warranty only when completed by an authorized Magnum Industrial service centre. The warranty does not cover third-party repairs.

## ORIGINAL PURCHASER OF THE PRODUCT

This warranty is non-transferable and applies to the original purchaser only. This warranty requires documented proof of purchase.
