

Oscillating Spindle Sander (MI-16150)

Designed to meet the needs of light- to medium-duty production shops and educational facilities, the Magnum Industrial Oscillating Spindle Sander is an all-around sander that can handle a variety of materials. Whether you're working with wood, metal or plastic, this sander delivers both performance and durability for a range of projects, large and small.

**Continuous
Duty 1 HP
Motor**

Features:

- Delivers 75 oscillations per minute and a full 1-1/2" stroke
- Precision cast table tilts from 0° to 45°
- Includes 10 spindles (1/4" to 4"), precision taper ground to minimize spindle runout
- Heavy-duty helical geared transmission is enclosed in an oil bath gearbox and delivers smooth reciprocal action and stays cool during heavy use
- 1 HP continuous-duty motor is fully enclosed for protection from dirt, dust and debris
- Includes cast-iron dust hood and three interchangeable metal inserts for precision sanding of small pieces
- Safety switch

Specifications:

Motor: 1 HP, 110/220V, 1 PH, 10.5A
Spindle speed: 1,725 RPM
Spindles: 10 (1/4" to 4")
Oscillation length: 1.5" (36 mm)
Oscillation speeds: 75 OPM
Dust collection outlet: 4" (102 mm)

Table size: 24-1/4" x 241-1/4" (616 x 6,161 mm)
Table tilt angle: 0° to 45°
Table height: 39" (990 mm)
Base dimensions: 117.5" x 17.5" (445 x 445 mm)
Weight: 319 lbs (145 kg)
