

1/2 HP Power Feeder (MI-21250)

**Powerful
220V Motor**

The MI-21250 1/2 HP Power Feeder is designed for standard-duty applications. It features a powerful 220-volt motor and a heavy-duty cast-iron base that fits a variety of woodworking tools, including table saws, shapers, jointers and even bandsaws. It's ideal for feeding long, narrow stock up to 3" x 3". Upgrade to a Magnum Industrial 1/2 HP Power Feeder and improve the safety, efficiency and consistency of your woodworking machinery.

- Heavy-duty cast-iron mounting base fits a range of woodworking machinery—table saws, shapers, jointers, bandsaws and more!
- Four speed settings (9.5, 15, 25, 38 feet per minute) in both forward and reverse provide high-quality, uniform results on all types of wood
- Hand cranks allow quick and accurate X and Y adjustments
- Durable and grippy neoprene wheels deliver smooth, long-lasting performance
- Chain drive and gear system ensure consistent, precise results over a long service life
- 220-volt motor delivers powerful, efficient performance

Specifications:

Motor:	1/2 HP, 220 V, 1 Ph	Roller suspension:	3/4" (20 mm)
Speed settings:	4 (9.5, 15, 25, 38 feet per minute)	Max. stock height:	3" (76 mm)
Number of rollers:	3	Max. stock width:	3" (76 mm)
Roller size:	4" x 2" (100 x 50 mm)	Weight:	118 lbs (54 kg)
