

17" Floor Drill Press (MI-76350)

The Magnum Industrial 17" drill press delivers precision and power and it's built to handle the demands of a professional shop. The MI-76350 is a great option for fabricators looking for a drill press that's rugged enough to handle the demands of light and medium duty production work and accurate enough to consistently deliver precise results.

**Laser Light
and Drill
Chuck Guard
Included**

Features:

- Industrial 1 HP motor with a durable metal hood to keep out dust and debris
- Double-wide spindle bearings and precision spindle reduce vibration during operation
- Built-in work light with separate on/off switch
- Extra long handles for better feed control
- Positive drill stop for accurate depth control
- Full range of spindle speeds
- Unique safety interrupter switch deactivates machine during a power outage and requires manual restart when power returns
- Dual voltage motor

Note: When wiring for 220 volt optional switch #MI-76350-23-220V is required

Specifications: Pre-wired 110V

Motor:	1 HP, 110 V, 12.5 A (220V-7A)	Spindle Speeds:	(12) 280-3,000 RPM
Drilling Capacity:	3/4" (19 mm)	Spindle / Chuck Taper:	MT2 / JT3
Chuck Size:	5/8" (16 mm)	Overall Height:	64 1/2" (1638 mm)
Spindle Travel:	3 1/8" (80 mm)	Base Size:	11 3/4" x 19 5/8" (302 x 500 mm)
Table Size:	12" (305 mm)	Swing:	17" (432 mm)
Column Diameter:	3 1/8" (79 mm)	Weight:	200 lbs (90 kg)
