

Deluxe 14" Wood Band Saw (MI-91400)

From ripping and resawing to detailed radius work, the Magnum Industrial Deluxe 14" Band Saw has the power and precision to tackle almost any application. With its fabricated European-style one-piece frame and laser-balanced cast iron wheels, this band saw is a steady and stable woodcutting machine. It's equipped with all the features you're looking for, including sealed guide bearings, a quick-release tensioner, deluxe fence system and more. In addition, the MI-91400's dual voltage motor draws only 10 amps at 120 volts, so you can plug it into a standard outlet. This band saw is an ideal for schools, small and medium production shops, and serious woodworking enthusiasts.

Features:

- European-style one-piece welded frame and dynamically balanced cast-iron wheels ensure vibration-free operation
- Sealed ball bearing guide system delivers smooth cuts and hassle-free setup
- Quick-release blade tensioner makes it easy to set the correct tension
- Two speed settings to handle a variety of cuts and stock
- Keyed lock-out mag switch provides added security
- Large 14" x 18" support table with cast-iron bracket offers a stable platform
- Engineered dust collection ports optimize debris removal
- Saw includes deluxe T-lock fence system with mitre gauge

Specifications:

Motor:	1.25 HP, 110V/220V, 11A/5.5A	Blade length:	101" (2,565 mm)
Max cutting depth:	7" (178 mm)	Table size:	14" x 18" (356 to 457 mm)
Max cutting width:	13-5/8" (330 mm)	Table height:	44" (1,118 mm)
Wheel size:	14" (356 mm)	Dust outlet:	4" (100 mm)
Wheel speeds:	625 / 885 RPM	Dimensions:	20" x 33" (508 x 838 mm)
Blade speeds:	2,300 and 3,250 RPM	Weight:	86 / 89 kg
Blade width:	1/8" to 3/4" (3 to 19 mm)
