

10" x 18" Metal Cutting Bandsaw (MI-93500)

A metal cutting workhorse with big capacity and ample power, the Magnum Industrial MI-93500 10" x 18" Metal-Cutting Bandsaw is made for fabrication shops, manufacturing applications and schools. It's CSA approved, easy to use and maintain, and built to handle the day-to-day metal-cutting needs of a variety of workshops. Features include safety guard; onboard vise assembly; built-in coolant pump, tank and recovery tray; and adjustable blade tension and guide bearings.

**Durable
Saw with Big
Capacity**

Features:

- Powerful 2 HP motor with four-speed belt drive handles a range of metals
- Heavy-duty cast frame provides stability and long-lasting performance
- Durable, handwheel-operated vise secures workpiece when cutting angles
- Blade tension and guide bearings adjust easily to suit each project
- Coolant system features built-in pump, tank and oil recovery tray
- Automatic shut-off feature stops saw after each cut
- Overload protection prevents damage from excess amperage

Specifications:

Cutting capacity

at 90° (rectangular):	10" x 16" (250 x 415 mm)
at 90° (round):	10" (250 mm)
at 45° (rectangular):	10" x 7.5" (250 x 190 mm)
at 45° (round):	7.5" (190 mm)
flat steel:	8" x 18" (200 x 450 mm)

Blade size:	1" x 0.035" x 130"
Blade speeds:	82, 131, 167, 232 FPM
Motor:	2 HP, 60 Hz, 220V,* 1 PH, 1,725 RPM
Dimensions:	68" x 30" (1,730 x 760 mm)
Weight:	706 lbs (320 kg)

*Compatible with 208 volt power supply
