

## Universal Machine Stand (MI-99003)

The Magnum Industrial Universal Machine Stand is perfect for supporting portable power equipment. The powder-coated steel structure supports up to 410 lbs. The MI-99003 stand can be used for benchtop drill presses, sanders, and portable jointers, and is pre-drilled for most 13" planer models. The stand also features a front drawer for tool storage, making it an excellent foundation for a customized wood table workbench.

### Features:

- Height: 31-1/4" to 33"
- Drawer: 10-3/4" x 6"
- Top and shelf: 23-1/2" x 17"
- Capacity: 410 lbs
- Leveling feet: 4-1/2' to 13'

*Ideal for supporting portable power equipment up to 410 lbs, including benchtop drill presses, sanders, jointers & planers*

*Optional accessories:  
MI-99002 Locking Casters (Set of 4)  
Note: Some drilling for mounting required*
